PROCEEDINGS OF THE GOVERNMENT OF KARNATAKA
(Social Welfare & Labour Department)

Gift of land to National Institute of Unani Medicine,
Bangalore.

-:0:-

ORDER NO. SWL 76 SER 97, BANGALORE, DATED:- 13th APRIL 1988.

READ:-

- 1) D.O. Letter No. JFW/HS/300/PA/37 dated 13th November 1987 from the Secretary to Govt., Health and Family Welfare Department.
- 2) D.O. letter No. CKC/1906/37-88 dated 6/3-2-1988 from the Chairman, Central Relief Committee, Bangalore.

DETAILS:-

In the letter read at (1) above the Secretary to Govt., Health and Family Welfare Dept., has stated that in the year 1982 the Govt., of India decided to establish a National Institute of Unani Medicine in Bangalore with the assistance of Government of Karnataka. Govt., of Karnataka had agreed to provide 70 Acres of land for establishing the National Institute of Unani Medicine and for raising a herb garden.

The Central Relief Committee (Deggars colony) is having 35 Acres, 36-Guntas of un-used land in Survey No. 61 and 62 on Nagadi Road, Bangalore, in Srigandada Kavalu village, Yeshwanthapur Hobli, Bangalore North Taluk, which is proposed to be made available to the National Institute of Unani Medicine.

The National Institute of Unani Medicine is a prestigious academic Institution which would provide teaching and research facilities in the Unani system of Medicine. This scheme with an outlay of about Rs. 4.00 Crores envisages establishment of a 200 Beds Hospital also. It is felt that the Hospital would be very useful for the inmates of the Deggars colony. The Central Relief Committee would be still left with nearly 120 acres of land even after parting with the land proposed to be transferred, which would be sufficient for all the projects and plans of the Central Relief Committee.

In the letter read at (2) above the Chairman, Central Relief Committee has agreed to release the said lands in favour of the National Institute of Unani Medicine subject to the following conditions:-

- 1) Free treatment shall be provided to the inmates of the Nirashrithara Parihara Kendra, Bangalore (Deggars) on priority.
- 2) Five beds shall be reserved for the treatment of inmates of Nirashrithara Parihara Kendra.

Contd. 2.2....

PROCEEDINGS OF THE GOVERNMENT OF KARNATAKA

Establishment of the National Institute of Unani Medicine at Bangalore - sanction to the -

Letter No.R.13011/2.81-ISM/V of II, dated 22.11.1984 from the Under Secretary to Government of India, Ministry of Health & Family Welfare, New Delhi.

The question of setting up of the National Institute of Unani Medicine at Bangalore was under consideration of Government since 1980. The proposal involves sharing of the expenditure to the extent of 2/3rd by the Government of India and 1/3rd by State Government. The total cost of the project works out to Rs.363.60 lakhs which includes both recurring and non-recurring expenditure.

Though the matter was taken up with the Government of India during the past 3 years, a task force consisting of representatives of the State and Central Governments was constituted and they have also examined all the details. The details of the project as furnished by the Task force are indicated in the annexures.

The Government of India have now decided to establish the National Institute of Unani Medicine at Bangalore in collaboration with the State Government on the following terms and conditions:-

- i) The Government of Karnataka shall earmark 50 acres of land in the Bangalore University Campus for establishment of the Institute and this would be provided free of cost for the institute;
- ii) provide about 20 acres of additional land along the banks of the rivulet passing through the campus for development of a Herbs Garden on the same basis as mentioned in (i) above;
- iii) share one-third of the costs of construction, equipments and all recurring and non-recurring expenditure of the National Institute, while the remaining two-thirds shall be the share of the Central Government. This sharing arrangement would be reviewed on completion of the Project.

The financial implication is as under:

	(Rs. in lakhs)
Non-recurring expenditure	Rs. 239.50
Recurring expenditure	Rs. 124.10
Total:	Rs. 363.60

The sharing pattern is as under:

Rs. 121.20

- 3: -

The Government of Karnataka shall earmark 50 acres of land in the Bangalore University Campus for establishment of the Institute and this would be provided free of cost for the Institute;

ii) provide about 20 acres of additional land along the banks of the rivulet passing through the campus for development of a Herbs Garden on the same basis as mentioned in (i) above;

iii) share one-third of the cost of construction, equipments and all recurring and non-recurring expenditure of the National Institute, while the remaining two-thirds shall be the share of the Central Government. This sharing arrangement would be reviewed on completion of the project.

The financial implication is as under:

	(Rs. in lakhs)
Non-recurring expenditure	Rs. 239.50
Recurring expenditure	Rs. 124.10
	Total: <u>Rs. 363.60</u>

The sharing pattern is as under:

State Government	Rs. 121.20
Central Government	Rs. 242.40
	Total: <u>Rs. 363.60</u>

After 5 years during which period this project is expected to be completed, the recurring expenditure is estimated to be Rs. 50.30 lakhs per year on the part of the State Government.

v) provide temporary accommodation for the office, teaching and hostel, etc., to the extent of 4 to 5 thousand sq. feet to enable the starting of the project;

vi) make available the Unani wards in the existing State Hospital of Indigenous Medicine to the students of the National Institute till such time as the Institute Hospital is built up; and

vii) the admissions to the Institute will be done on an all-India basis.

This order issues with the concurrence of both Planning Department and the Finance Department vide their U.O. Nos. Planning (1) 210 dated 15.12.1980 and No. FS 4058/81 dated 16.12.1980 (1) Exp-III/80, dated 24.12.1980).

By Order and in the name of
the Governor of Karnataka,

(R. SURIANARAYANA)

Under Secretary to Government,
Health & Family Welfare Deptt.

The Secretary to Government of India, Ministry of Health and Family Welfare, Nirman Bhavan, New Delhi, vide their letter

S.No. 375/84-85
Bangalore City Corporation.

Subject: Minutes of Meeting for review of construction projects of National Institutes / Councils under Ministry of AYUSH – reg.

The review meeting of projects under construction of National Institutes / Councils under Ministry of AYUSH was held on 24.12.2018 (Monday) at 11:00 AM under the Chairmanship of DDG (RCA) in the conference Room, Ground floor, AYUSH Bhawan. The meeting was attended by the officers as indicated at annexure.

2. The meeting commenced with welcoming of the Chairman, members of Monitoring Committee of Ministry, National Institutes, Central Councils and representatives of the PMCs namely M/s WAPCOS Ltd., M/s NPCC Ltd. and M/s MECON Ltd. by Project Consultant. With the permission of the Chairman, the project wise presentation was made by the concerned PMCs as follows:

i. M/s WAPCOS Ltd. (PMC) have made presentation on following three projects:

a. National Institute of Unani Medicine, Ghaziabad, U.P.

Total cost of the project - Rs. 339.68 Cr.

Cost of Construction - Rs. 290.54 Cr.

Cost of Procurement of items- Rs. 49.14 Cr.

The representative of M/s WAPCOS Ltd. gave presentation on the activities of the project since the date of signing of agreement dated 16.12.2016 and appraised the present status of the project. They have further stated that EPC agency has been engaged on 25.06.2018. The drawings were submitted to GDA and Environmental Authority on 31.07.2018 for statutory clearances. The State Level Environment Impact Assessment Authority (SEIAA) in its meeting held on 20.11.2018 decided to grant environment clearance of the project. Ghaziabad Development Authority is taking up the matter with UP Govt. Lucknow for change of land use. In this connection, MOS (I/C) (AYUSH) has requested Chief Minister (UP), to look into the matter for early approval of concept plan. Regarding No Objection Certificate (NOC) from Land Allotment Screening Committee (LASC), Ministry of Housing and Urban Affairs (MoHUA), recommended to utilize the land measuring 10 acres at sector 19, at Ghaziabad, UP to setup National Institute of Unani Medicine (NIUM), which was earlier allotted to M/o H&FW, after payment of belated construction charges by Ministry of AYUSH as HPL is also under the administrative control of M/o AYUSH.

Fund released to M/s WAPCOS Ltd. as 10% advance on 31.03.2017 Rs. 25.00 Cr.

Expenditure made upto November, 2018 Rs. 0.70 Cr.

Funds available with M/s WAPCOS Ltd. Rs. 24.30 Cr.

Requirement of funds upto March, 2019 NIL

Funds required for the FY 2019-20 Rs. 100 Cr.

The Committee members shown their concern that considerable time have passed as progress of project is not satisfactory.

The Chairman was advised to M/s WAPCOS Ltd. to expedite the process of statutory approval and start the construction work at the earliest. The foundation stone laying ceremony is also to be planned.

(Action to be taken by M/s WAPCOS Ltd. & Director (I/C), NIUM)

The Director,
National Institute of Unani Medicine,
Kottigepalya, Magadi Main Rd,
Bengaluru, Karnataka -560091

**Subject: Establishment of National Institute of Unani medicine, Ghaziabad -
Authorization to Director (NIUM), Bangalore for technical & financial matters -
reg.**

Sir,

An agreement was signed on 16.12.2016 between Ministry of AYUSH and M/s WAPCOS Ltd. for Project Management Consultancy Service for establishment of All India Institute of Unani Medicine, Ghaziabad (UP). The total cost of the project is Rs. 339.68 Cr. (Construction +Procurement).

2. It is imperative to mention that as per Minutes of the SFC meeting held on 20th March, 2017 issued vide OM No. R.13016/1/2015-NI (NIUM) dated 05th April, 2017, the SFC recommended the proposal for establishment of National Institute of Unani Medicine (NIUM), Ghaziabad (UP) as an extension of National Institute of Unani Medicine, Bengaluru. The necessary corrigendum is required to be issued by Director, NIUM, Bengaluru.

3. You are hereby authorized for signing the corrigendum related to the agreement dated 16.12.2016 between Ministry of AYUSH and M/s WAPCOS Ltd. & further, authorized to examine & take decision in technical & financial matters regarding establishment of NIUM, Ghaziabad (UP) subject to positive recommendation from Dr. B.S. Banerjee, Sr. Project Consultant, M/o AYUSH.

4. This is issued with the approval of Hon'ble MOS (I/C), AYUSH.

Yours faithfully,

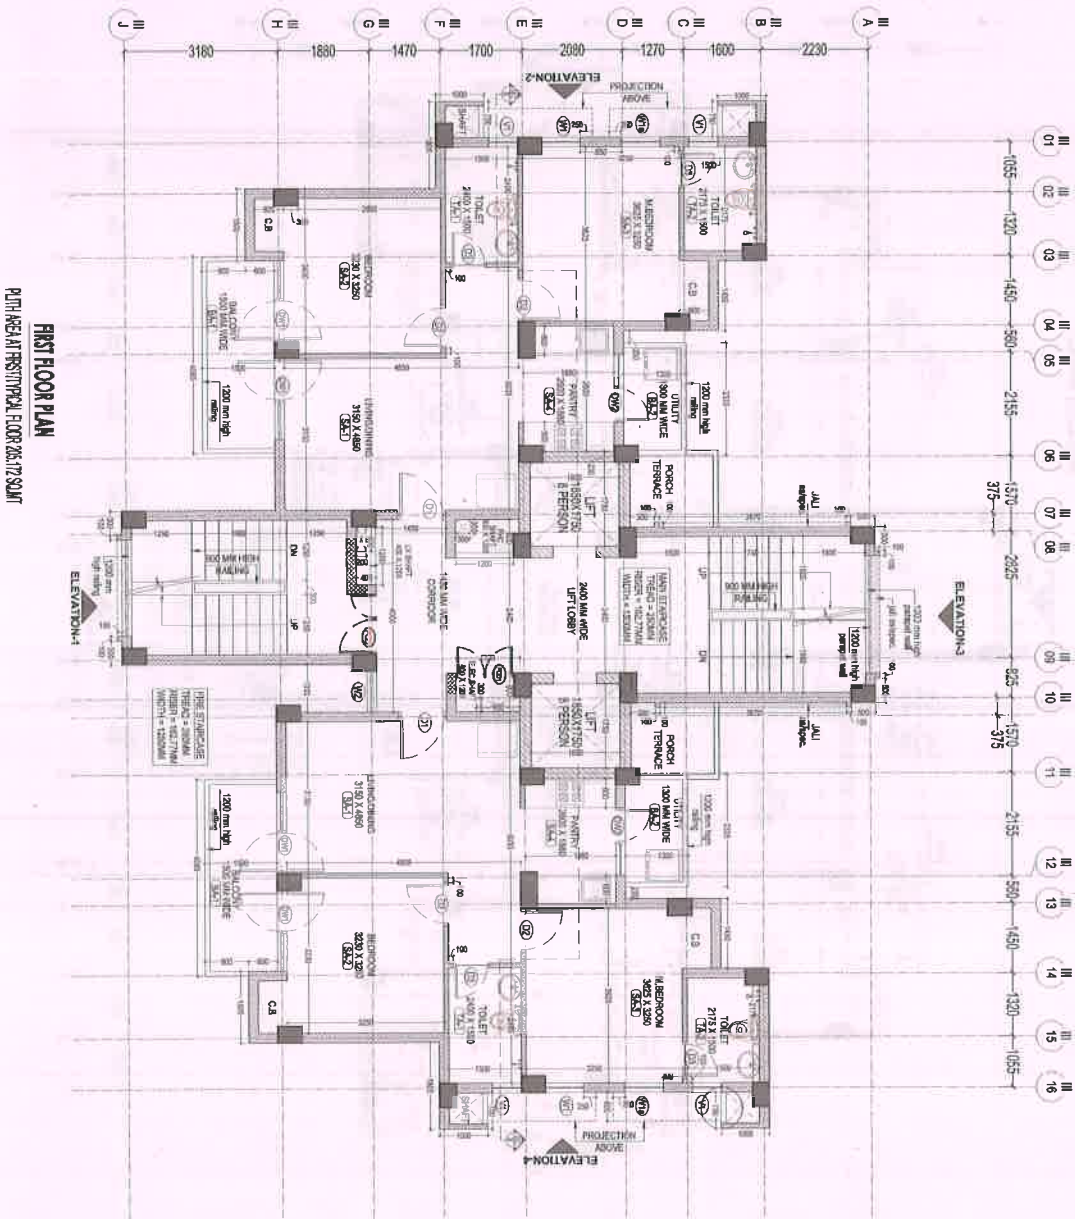

(S.K. Ahuja)
Director

Professors rooms, lecture halls, electrical room and other utilities.

c) Hostel block-A & B

Ground floor

Waiting lobby, 10 rooms, electrical room and other utilities.

1st floor

Waiting lobby, 09 rooms, electrical room and other utilities.

2nd floor

Waiting lobby, 08 rooms, electrical room and other utilities.

ii. Height of each building

a) Hospital block

15.20 mtrs.

b) College block

15.20 mtrs.

c) Hostel block-A & B

Each of 11.40 mtrs.

d) Hospital block

15.20 mtrs.

6. Site area

10 acres.

7. Built up area of each floor(in sq.mtrs.):

Sl.No	Floors	Hospital block	College block	Hostel Block-A & B
01	Ground floor	3320.04	Level-1: 1232.18 Level-2: 2388.53	$413.39 \times 2 = 826.78$
02	1 st floor	3207.23	2383.38	$376.06 \times 2 = 752.12$
03	2 nd floor	1536.84	1572.31	$346.02 \times 2 = 692.04$
04	3 rd floor	0978.82	0161.13	
	TOTAL	9042.93	7737.53	2270.94

built up area 19051.40 sq. mtrs.

Surroundings of the premises

East : Vacant area.
 West : 09 mtrs. wide internal road.
 North : Vacant area.
 South : 18.00 mtrs. wide Bangalore-Magadi road.

9. **Width of the abutting road/roads and condition (Hard surfaced or not)** The hospital building abuts minimum 09 mtrs. wide internal road towards Western side. The other internal roads abutting collage and hostel blocks are about 6.0 mtrs. wide. All the roads are hardened and are capable of carrying 45,000 kgs. maximum weight of a Fire Tender

10. **Number of entrances and width of each entrance to the premises** Single entrances/exit of 9 mtrs. width is provided towards Southern side from 18 m wide Magadi-Bangalore road.

11. Width of open space

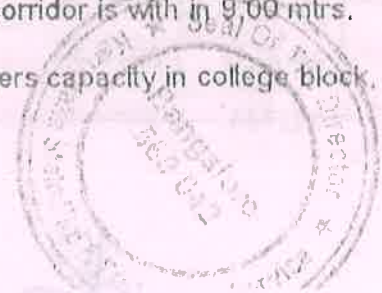

Sl.No	Sides	Hospital Building	College Building	Hostel Buildings
01	Front (West):	09 m. wide road and open area.	09 m. wide road and open area.	06 m. wide road and open area.
02	Rear (East):	Vast open area.	Vast open area.	Vast open area.
03	Side (North):	Vast open area.	Vast open area.	Vast open area.
04	Side (South):	Vast open area.	Vast open area.	Vast open area.

12. **Arrangements for parking the cars** Provision has been made to park in the open space all around. This should be after leaving a driveway of 6.00 mtrs. all around from each building line.

13. Number of staircases

Hospital block 4.
 College block 8.
 Hostel block 1 each. } Adequate as travel distance from farthest point with in 22.50 mtrs. and from the dead-end of the corridor is with in 9.00 mtrs.

14. **Number of lifts** 2 lifts, each of 8 passengers capacity in college block.

B. The following fire prevention and fire safety measures should be incorporated in all the buildings

Details (1)	Existing (2)	Recommendation (3)
1. Service ducts/ shafts.	Not indicated.	All the ducts should be sealed at every alternate floor with non-combustible metal doors having at least two hours fire resistance capacity prevent the possible spread of smoke and fire both horizontally and vertically.
2. Escape route.	Not indicated.	Directions in which the inmates should have to move in the event of any emergency have to be indicated in the corridor/passage on each floor as a guide during evacuation. These marking should be in luminous paint.
3. Electric power		Provision shall be made to provide alternative power from existing standby generator of 150 KVA for staircase lighting, corridor lighting, fire fighting systems and lifts, etc., in the event of failure of electricity supply, in the buildings.
4. Wet riser-cum-down comer.	Proposed to provide one down comer system in each college & hospital blocks. Also proposed to provide one down comer in each Hostel blocks.	Proposed down comer should be of 100 mm internal diameter and made of G.I.'C' class pipe. From each system single hydrant outlets should be provided at each landing. Hose reel hose of minimum 12 mm size and of adequate length to reach the farthest point of each floor, should be provided with a shut off branch having a nozzle of 5 mm size. The hose reel hose should be connected at each landing by means of an adaptor. Adequate B.I.S. marked reinforced rubber lined delivery hoses of 63 mm size to reach the farthest point of the floor/setbacks from the system should be provided with a branch pipe (of gun metal) near each hydrant outlet (both internal and external) in a proper box to protect it from withering. At least two fire service inlets to boost the water in the riser directly from the mobile pump should also be provided. These inlets should be

(1)

(2)

(3)

located at an easily accessible position, preferably near the entry point to the premises.

Each down system of college and hostel blocks should be connected to an overhead tank of 25,000 litres capacity with an electrically driven pump, capable of delivering 900 litres of water per minute at 0.3N/mm² pressure. Similarly each down comer system of Hostel blocks should be connected to an overhead tank of 10,000 ltrs. capacity with an electricity driven pump capable of delivering 450 ltrs. of water per minute at 0.3N/mm² pressure. The impeller of all the pumps should be made of bronze.

3 Manually operated fire alarm system.

Not provided.

Manually operated electrical fire alarm system should be installed with call boxes located near each staircase landing of each building. The call boxes should be of 'break glass' type, where the call is transmitted automatically to the control room when the glass of the system is broken. This system should also be connected to an alternative source of power supply (diesel generator). The call boxes should be so installed that their location can be easily noticed from either direction and should be at a height of one metre from the floor level.

6 Public address system.

Not provided

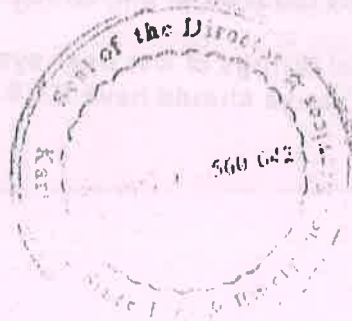

A public address system with two way communication facility should be provided at each floor near each staircase landing of each building with its console at the control room, located on the ground floor. This is required to alert the occupants and also to conduct evacuation during emergency.

(1)	(2)	(3)
Portable fire extinguishers.	Not provided.	<p>a) One ABC powder extinguisher of 5 kgs. capacity and 2 fire buckets filled with clean, dry, fine sand should be provided for every 8 cars in the open parking area, (under shelter).</p> <p>b) One Co2 extinguisher of 2 kgs. capacity should be provided near the entrance to each main switch board room.</p> <p>c) One ABC powder extinguisher of 5 kgs. capacity should be provided near the entrance to the generator room.</p> <p>d) One Co2 extinguisher of 2 kgs. capacity should be provided inside each lift room.</p> <p>e) One water type gas cartridge extinguisher of 9 litres capacity should be kept near each staircase landing on every floor.</p> <p>f) All the extinguishers suggested above should be with B.I. S markings and should be located at an easily accessible position without obstructing the normal passage.</p>

8. Fire safety plan.

A Fire safety plan for preventing and extinguishing any accidental fire in each building and action to be taken by the occupants in case of such fire should be displayed on every floor of each building. The fire safety plan, should contain the telephone numbers of the nearest Fire Control i.e., 101, 22971500, 22971550 and 22971600.

(1)

(2)

(3)

A Fire Command Station should be established in the premises and such command station should be adequately illuminated. The main control of the public address system and fire alarm systems should be at the Fire Command Station.

A Fire Safety Director should be nominated for all the buildings in the premises. He should conduct fire and evacuation drills periodically. He should nominate a Fire Warden for each building and ensure that no individual of the building does anything which causes or stimulates an accidental fire and in case of lapses in respect of fire prevention measures, he should take action as deemed fit to ensure the safety from the fire point of view.

9. Training.

Not indicated.

40% of the employees in the premises should be got trained in fire prevention & fire fighting at the R.A.Mundkur Fire & Emergency Services Academy, Bannerghatta Road, Bangalore - 560 029, within 6 months from the date of receipt of this report.

E. General:-

- 1) All the fire fighting, fire prevention, fire safety and evacuation measures suggested / recommended above shall be strictly adhered to adopted.
- 2) Hazardous materials such as petroleum products, explosives, chemicals etc. should not be stored on any floor of the buildings.
- 3) Refuse dumps or storage should not be permitted in any of the floor of the buildings.
- 4) Liquefied petroleum gas should not be stored in the building except limited quality required for the kitchen.
- 5) All the metal fittings of wet riser system and all the extinguishers suggested above should have B.I.S markings.

Note:

- a) This is an advice from fire prevention and fire fighting point of view to the buildings, constructed and occupied.
- b) The letter should not be considered as a NOC from Fire & Emergency Services for any purpose.
- c) All the recommendations shall be complied fully, considering the safety of the occupants and patients.

Yours faithfully
