Notice

As you know the “Skill India” initiative of Government of India aims at ensuring the quality services are made available to the citizen of the country. Currently, there is a lack of cupping therapy assistants and their demand is expected to rise significantly as cupping therapy is effective in prevention and management of non-communicable diseases.

National Institute of Unani Medicine, Bengaluru, as a Nodal National Institute for implementation of Central Sector Scheme for Skill Development under Champion Services Sector Scheme for Medical Travel Value is going to start a two-month certificate course on cupping therapy assistant tentatively from January 15, 2023.

The certificate in Cupping Therapy Assistant may open up career opportunities and employability for the aspirants in private/Govt. clinics or hospital catering cupping therapy. The objective of this certificate course is to produce cupping therapy assistant for providing assistance to Unani physicians in carrying out cupping therapy in their clinical/hospital practice.

The details of the course and other information are as follows:

Eligibility:

The minimum educational requirement shall be the passing of 12 years of schooling (10+2-year course) recognized by CBSE/ICSE/State Board or a recognized equivalent examination.
