**23<sup>rd</sup> - 24<sup>th</sup> February, 2016**

**Organized by:**

**Dept. of Ilaj bit Tadbeer**

National Institute of Unani Medicine

Kottigepalya, Magadi Main Road, Bangalore - 91

**Training Programme on Ilaj bit Tadbeer:**

The organizing committee feels immense pleasure to invite you to the training programme on Ilaj bit Tadbeer, scheduled to be held on 23<sup>rd</sup> & 24<sup>th</sup> February, 2016, at Department of Ilaj bit Tadbeer, National Institute of Unani Medicine, Bangalore.

**Objective of the Training Programme:**

Unani medicine lived through a long and impressive past, catering to the needs of millions of patients and enjoyed a pedestal position among other systems of medicine practiced in India. The Unani medicine retained its sheen and edge till practiced as per the established canons of treatment and harnessed all forms of treatment mentioned in classical text books of Unani medicine for cure of almost all varieties of diseases. Ilaj bit Tadbeer is one of the mainspring pivots of treatment in Unani medicine. Neglect of this important fulcrum of treatment over past several decades has led to an ominous shrink in the efficacy of employed treatment.

Through this programme, we intend to bring about a change in the present day practice of Unani medicine by creating awareness and re-introduction of utility of Ilaj bit Tadbeer. This programme is organized to cater theory and practices of some very important modalities of treatment of Ilaj bit Tadbeer. We sincerely hope the completion of this training programme will culminate into attaining a higher standard of treatment of Unani medicine.

**Eligible Participants for Training Programme:**

Medical Officers, Unani General Practitioners

**Note:** A total of 15 candidates shall be enrolled on first-come-first-serve basis. The application forms received over and above 15 shall not be entertained.
