

Seminar on Unani Medicine

**“Unani Medicine for Public Health”
On the occasion of Unani Day Celebration, 2019**

14th Feb, 2019

VENUE

**National Institute of Unani Medicine, Kottigepalya, Magadi Main Road,
Bengaluru, Karnataka-560091, India**

Traditional Unani medical practice needs rationale approach in the present perspective. This approach was initiated by Hakeem Ajmal Khan, an unmatched personality who proved to be the pioneer of Unani Medicine in modern India by saving it from extinction and by taking great interest in indigenous systems of medicine and struggling for their cause. He also recognized the importance of research in Unani Medicine. Acknowledging his immense contribution in the field of Unani Medicine, Ministry of AYUSH, Govt. of India has declared his birthday as Unani Day. On this occasion National Institute of Unani Medicine, Bengaluru is going to organize a one-day seminar on Unani Medicine with the theme "Unani Medicine for Public Health". The organizers extend cordial invitation to academia, researchers, scholars and students of Unani Medicine and allied fields to be the part of this seminar as **delegate** only.

Topics likely to be covered as invited talks

- Contribution of Hakim Ajmal Khan to Indian system of medicine
- Unani medicine in present health scenario
- Clinical evaluation of Unani medicine
- Exploration of Unani fundamentals and correlation of terminologies
- Issues and challenges in wide acceptability of Unani Medicine
- Regimetal therapies as tool for wellness programme and therapeutics
- Drug development in Unani medicine
- Drug standardization
